

Roger Muntane Cuadra

Junior Full-Stack Web Developer

+34 681 905 457 · rogermuntane123@gmail.com · Mataró, Spain · github.com/RogerMuntane

Professional Profile

Junior web developer graduated from the Higher Vocational Degree in Web Application Development (DAW) at Centre Thos i Codina, Mataró (2024-2026), with 6 months of professional internship experience in a real business environment. Experienced in collaborative full-stack projects, microservice architectures and external API integrations. Looking for my first professional opportunity to grow technically and contribute from day one.

Work Experience

Feb. - Jul. 2026	Junior Web Developer Intern Pyoming · Odoo Specialists · Mataró, Spain - Participated in real-world Odoo customisation and implementation projects for business clients. - Adapted to a professional environment with team workflows, meetings and task management. - Gained understanding of the software development lifecycle in a specialised software company. - First hands-on contact with production-level tools and processes.
------------------	---
